## History of Trinity Church

The history of Trinity Church is intertwined with the city of Pottsville. In 1790, deposits of Anthracite coal were discovered in the area, and this event shaped the foundation for Pottsville's age of great prosperity. The development of the Schuylkill Navigation Company's canal in 1825 and the establishment of the nearby town encouraged the foundation of Trinity Parish.

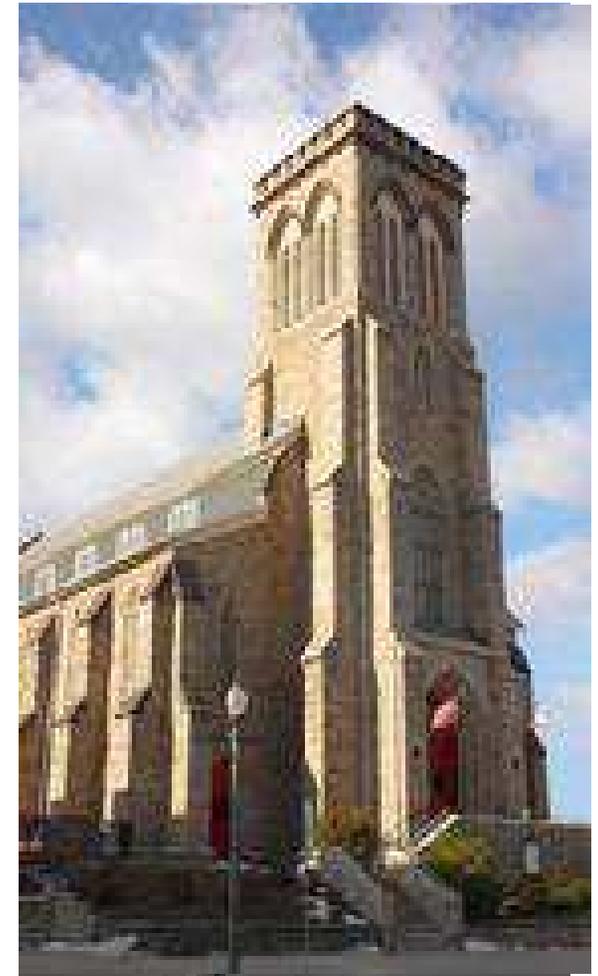

- September 3, 1827—Reverend Norman Nash holds a meeting in an log-cabin schoolhouse to determine interest in the formation of an Episcopal church in the area.
- Two days later, John Pott—founder of Pottsville—grants rights to the parish initially dedicated to St. Luke.
- In 1830, the construction is complete and the church is consecrated by the Right Reverend Henry Ustick Onderdonk.
- July 11, 1847—Because of Pottsville's growing population, construction of a new church begins on the present site.
- In 1885, Charles Baber deeds the cemetery to the Vestry of Trinity Parish.

- *Outreach*—to be a beacon of light to the Pottsville community and Schuylkill County by continuing to grow and expand our outreach ministries
- *Stewardship*—to continue becoming the stewards that God wants us to be by recognizing the gifts that we have
- *Evangelism and Church Growth*—to take a proactive approach to church growth by inviting people to join us in worship and ministry
- *Christian Formation and Discipleship*—to encourage a lifelong journey of faith and discipleship through the offering of engaging and through-provoking study of scripture for all ages
